

SOFT COAL STRIKE IS SETTLED

HARDING TO PUT RAIL ISSUE BEFORE CONGRESS EXTRA!

Action Within 48 Hours Announced After Conference

(By Associated Press)
Washington.—President Harding will place the rail strike situation before congress and before the country within 48 hours, it was officially announced Tuesday at the white house. The announcement came after the president had conferred on the strike situation with his cabinet and with leaders in congress, and after railroad union labor organizations had made public rejection of the president's last settlement proposal, together with the statement that chiefs of the non-striking unions planned to continue their efforts at mediation of the rail controversy.

The administration spokesmen who made known the president's purpose declared there was "no ground for the executive to stand upon in advancing any further proposals" for settlement of the railroad strike, other than those which have already been laid before the managers and representatives of the workmen near striking.

The impression prevailed among the president's advisers that he would, in his statement to congress and through congress to the country, make no suggestion as to legislation, but the administration spokesmen said that depended on the events that occur within the brief time before he speaks.

SANTA FE STRIKE OF TRAINMEN CALLED OFF
(By Associated Press)
Chicago.—Few new developments had changed the nation's grave railroad situation Tuesday. Efforts to settle the shipman's strike and sporadic walkouts by train crews were little fruit. The country, cheered by news of an apparent break in the coal strike, got little encouragement in the rail crisis.

Although little progress was made toward ending the walkout of "big four" transportation brotherhoods on the Atchafalpa, Copeka and Santa Fe, the strike of Union Pacific trainmen was called off and four east bound trains taken up for Chicago.

Santa Fe trains, stalled for several days at desert towns in California, Arizona and New Mexico, were moved westward. Although movement of these trains brought relief to marooned passengers, it was not a triumph.

Breezes Relieve on Third Hot Day

The third day of the present heat spell, the longest so far this summer, found the thermometer at 85 degrees. The temperature read 85 at 3 p. m. Monday, equalling the year's record made earlier in the season. A slight breeze Monday night was a small relief. Tuesday was considerably more comfortable with cooling winds.

ENGINEERS' OFFICER MEETS MEN HERE

H. P. Dougherty, Cleveland, O., assistant general chief engineer of the Brotherhood of Locomotive Engineers, has been here recently to confer with local railway officials and workers. William Pierce, editor of the Brotherhood magazine published at Des Moines, Ia., was with him.

City Council Purchases 7 More Traffic Lights for Downtown District

Janesville's business district will be completely equipped with mushroom traffic lights through a resolution adopted by the city council in adjourned regular meeting, Monday night, ordering the immediate purchase and installation of seven more traffic lights to make a total of 10 in operation here.

The seven new lights were ordered placed as follows: Corner of South Main and Court streets, and one at the intersection of each of the following streets with Milwaukee street: Bluff, River, Franklin, Jackson, High and Academy.

The city already has three mushroom lights, at Milwaukee and Main streets, South River and Pleasant, and West Milwaukee and Center avenue.

The new purchase was ordered made by City Clerk E. J. Sartell in the resolution offered for the lighting committee by Alderman L. D. Horn, in the absence of its chairman, Alderman J. K. Jensen. Mayor T. E. Welch suggested that the police watch more carefully in the future to prevent motorists from cutting the lights in turning corners.

In addition to the new mushroom lights, three regular 100 candle power street lights were ordered installed as follows: corner of North Academy and Race streets, corner of Randall avenue and South Third street, and on Randall avenue between Rucker avenue and South Third street.

Buy Hose for McKune
Purchase of 500 feet of hose for use of Street Commissioner Thomas McKune was ordered upon resolution of Ald. E. H. Ransom. Mr. McKune was then instructed by Ald. J. J. Dullin's motion, to use the hose for flushing the entire sanitary sewer system of the city.

"It has been the practice for the street department to get old hose from the fire department at 25 cents a foot," explained Mayor T. E. Welch. "But there is always a controversy with Chief Murphy. The hose is old and leaky. With the

LATEST PROPOSAL OF RAIL HEADS IS FINAL COMPROMISE

HARDING HOLDS REPLY TO BE EMINENTLY SATISFACTORY.
SITUATION GRAVE
Widespread Tie-Up Feared; Daugherty Action in West Held Significant.

By DAVID LAWRENCE.
Copyright, 1922, by The Janesville Gazette.

Washington.—President Harding considers the reply of the railroad executives to his latest peace proposals to be eminently satisfactory. He will not budge an inch from this position and, no matter what happens in the crisis now developing, the president will insist on his proposal being accepted by the shophouse.

In the final compromise, namely, that the railroads take back the strikers and give them their former positions, where vacancies exist on other jobs at the same pay they formerly received, if their old positions have been filled.

Mr. Harding feels the situation has reached a grave point. The union leaders have told him they would bring the executives to their knees within a week. This means a spend of the transportation tie-up and more suffering to the public. Will the president permit it?

Doubt Harding Power.
The chief difficulty in answering that question is the fact that both the executives and union leaders do not think Mr. Harding has the power to compel them to end the controversy. They know, as does Mr. Harding, that a request for an end to the strike is a request for a new election. The day the strike ends, the day the election is approaching and members are unwilling to get into the labor controversy.

But in the absence of a real show of force, the strike will continue indefinitely. That's why the next move in the situation inevitably involves coercion. The telegram from the attorney general to the railroad executives, Mr. Daugherty pointed out to the United States district attorneys that they could prosecute any persons guilty of a conspiracy to interfere with interstate commerce. The foundation for his telegram is the famous Act of 1890 known as the Sherman anti-trust law.

Little Labor Union.
It is a broad statute and makes it a crime for anyone to conspire with any one else to interrupt interstate commerce. It has been used chiefly to prevent monopolies in production, which are in restraint of trade, yet which are in restraint of trade, yet

KILLARNEY TAKEN BY FREE STATERS

Occupation Follows Brief Battle; Drogea Scene of Sharp Fighting.
(By Associated Press)
Dublin.—Killarney, the last position of importance in county Kerry held by the Irish irregulars, has been occupied by national army troops. The occupation was preceded by a brief engagement on the outskirts of the town after which the irregulars fled.

Drogea is surrounded by irregular forces and a battle apparently is imminent. The nationals are preparing for a counter offensive. A large ambush party of irregulars has taken up a position on the Dublin road with the object of holding up any national reinforcement.

The government forces have evacuated Dunleer, in county Louth, for strategic reasons, it is said.

Big Four to Meet to Discuss Strike

The Brotherhood of Railway Trainmen will hold its regular meeting in Eagle's annex at 7:15 Tuesday by night and this session will be followed by a general meeting of the "big four" brotherhoods to discuss the strike situation. It was announced by R. J. Brown, Tuesday.

SOUTHERNERS VISIT UNIVERSITY FARMS

(By Associated Press)
Madison.—A large delegation of bankers, farmers and business men from Columbus, Miss., is in Madison, Tuesday, to study Wisconsin agricultural methods. They were met by North Academy and Race streets, corner of Randall avenue and South Third street, and on Randall avenue between Rucker avenue and South Third street.

Price of Wheat Drops Below \$1

(By Associated Press)
Chicago.—Wheat dropped in price here Tuesday to below \$1.00 a bushel. The break in values to less than such a notable dividing line failed to bring about any material increase of buying, although for a long time many "bids" have been expected a quotation as low as \$1.00 would stimulate business.

Uncertainty over the rail strike outlook, together with the general decline in values, appeared to be among the chief factors leading to the decline. Evident dearth of buyers resulted in a general selling movement on the part of holders who were trying to stop losses.

September deliveries of wheat, which closed Monday at \$1.02 1/2, went down to 99 3/4 Tuesday, and went down to 98 1/2 Wednesday, a new low price record for the season.

Axle Breaks; 18 Cars Are Ditched

Milwaukee.—Eighteen cars of this freight No. 58, eastbound on the Chicago & Milwaukee and St. Paul road, were derailed Tuesday night in the ditch five miles west of their destination, when a broken axle on one of the cars caused a general derailment. The cars were derailed at 4:55 a. m. and were delayed two hours and all Milwaukee bound traffic on the division was halted until wrecking crews could clear the track at 6 a. m.

Drastic Measure for Coal Urged

(By Associated Press)
Madison.—Request was made of the federal fuel administration on Tuesday by the Wisconsin fuel committee that it adopt a regulation compelling each producer of coal to ship a certain percentage of cars loaded each day to the Great Lakes region.

By enforcement of such a measure, Wisconsin would be able to receive the fuel needed to fill emergency priorities ordered by the federal government. The state committee said. No word of coal shipments under federal priority orders has been received.

Senator Lenroot, wired from Washington Tuesday, 150,000 tons of coal were moving this week under class one priority to the lakes; 50,000 tons for the western ports of Lake Michigan, and 100,000 tons to Lake Superior. Next week 400,000 tons will be sent under class one priority, he said. The committee Tuesday wired that that amount 150,000 should go to Lake Michigan.

ports and 250,000 to Lake Superior. Two carloads of coal left Tuesday for La Crosse from Milwaukee to meet the emergency there, the committee reported.

Settlement of the coal strike at the present time would not bring immediate relief, Mr. Prestin says. Several months will be required to load up the docks with the 13,000,000 tons of coal needed in the Lake region during the winter.

BLAINE FLAYS FEDERAL INACTIVITY IN SITUATION
Waupun.—The national administration at Washington has known for months, but instead of acting vigorously "has been sitting idly by while the whole nation cries for coal," Governor Blaine declared in a talk here.

Blaine Wisconsin executive reiterated his belief that the government should take over coal carrying railroads and the coal mines and operate them during the present emergency.

4 HURT IN AUTO CRASH, THEN FINED

Heavy Sentences Given Stoughton Youths After Accident North of City.
Gunnard Jacobson, Stoughton, was sentenced to 60 days flat in the county jail, and an additional \$100 and costs or six months by Judge M. L. Macfield in municipal court, Tuesday morning, after being found guilty of reckless driving. His three companions, Lloyd Johnson, Arnold Lundquist and Leslie Blingham, all of Stoughton, were fined \$100 and costs or six months each after being convicted of intoxication.

The four youths were arrested on the Stoughton concrete road, Monday night, near the stone quarry, by Sheriff Jack Whipple, after it had been reported that they had smashed into a fence, after which he struck the car of George McDermott, town of Janesville.

According to reports, Jacobson was driving at a terrific pace, and smashed into a fence, after which he struck the car of George McDermott, town of Janesville.

They then, it is said, threatened Mr. McDermott and offered to fight. A flask and a bottle containing liquor were found in their possession.

Rotarians Hear Swedish Envoy at Weekly Luncheon

Speaking before the Rotary club luncheon, Tuesday, V. L. Petersson, representing the Swedish department of agriculture, told of economic conditions in Sweden, and of the conditions in a letter-in-law of James Jensen of this city, and will investigate farming conditions in the United States for some time.

Telling of social conditions in his native land, Mr. Petersson scored the communistic party, which, he said, had as its motto, "down with everything!" Although the present government of Sweden is socialist, the speaker said many of their reforms had improved conditions in the country, but that several had resulted in confusion.

In the banquet of Andrew Gibbons and George King were honored at Tuesday's luncheon.

MATHESSON TALKS TO EDGERTON KIWANIS

Assemblyman Alexander E. Matheeson spoke at a meeting of the Edgerton Kiwanis club, Monday night. He was accompanied by Supt. Frank O. Holt.

"COMMUNISM IS 63," Chicago.—Charles A. Comiskey, owner of the Chicago White Sox, who has been ill in a hospital almost a month, celebrated his 63rd birthday at home Tuesday. The "Old Roman" is greatly improved in health and planned to start on a short automobile trip.

At Local Theaters

"Back Pay," Scene Owen.
"Sunshine," Charles Chaplin.
"The Seventh Day," Richard Barthelmess.
"Experimental Marriage," Constantine Talmadge.
"The House of the Poor," Bill Dove.
"Hills of Hate."
News pictures, comedies and feature reels.

Pick up Trail of Murder Suspects

(By Associated Press)
Sault City.—The trail of the car bearing two men, supposed to be the slayers of Julius and Mary Balzer, was picked up Tuesday by detectives in the Kickapoo valley of Wisconsin. The Chicago White Sox, who has been ill in a hospital almost a month, celebrated his 63rd birthday at home Tuesday. The "Old Roman" is greatly improved in health and planned to start on a short automobile trip.

He told of two men in an automobile who were injured, but train passed his farm headed toward Spring Green, having apparently come from Sault City. A description of the occupants, supposedly the bandits who murdered the two Balzers and left William with a fractured skull, was given the detectives.

Working on the clue, officers left for Spring Green. District Attorney Boon will return to Sault City with information he has pieced together from talks with persons who had recently visited the Balzer farm.

Balzer refuses to talk of the gold which supposedly was hidden in the house and caused the attack on the family. Likewise he is reticent concerning the woman supposed to have killed the farm early in July. He has not yet been told that his brother and sister were killed by the bandits during the garage fight.

At the hospital the condition of the injured man was reported unchanged.

FLIRTATION ALONG BOUL' MICH' LEADS TO WEDDING BELLS

Dr. C. Bernard Christie, New York, and Miss Betty Zaye, his Chicago bride.

Dr. C. Bernard Christie was watching a parade pass along Chicago's famous 'Boul' Mich' when a girl passing in a float coyly tossed a kiss to the crowd. Christie appropriated it, found out her address, and now the wedding bells have pealed.

TANKS, CAVALRY, RETURN TO CITY

150 Complete Strenuous Drill at Camp Douglas—No Competitive Drill Held.

Their chief military duties of the year at an end, 150 members of the two Janesville national guard companies closed a 15-day training period at Camp Douglas and arrived home at 8 p. m. Monday, over the Chicago Milwaukee & St. Paul. They are brown and many of them have taken on weight.

No competitive drill was held this year so the tanks could not get revenge from Stoughton for last year's defeat. Four Grinnshaw was regimental director at camp and Lieut. John Thiele was police officer. At the athletic meet on Saturday, Francis Condon, of the Janesville tanks placed third in the cross country run.

HOME COMING DRAWS MANY TO EDGERTON

Scores of automobile parties from Janesville and surrounding towns went to Edgerton, Tuesday, for the homecoming celebration being staged there under auspices of the American Legion. The Stoughton Trucks-Beloit Fairies buselike game in the afternoon was the big attraction. A program of contests, an airplane exhibition and dancing have also been arranged.

NURSES TO ATTEND STATE CONFERENCE

Miss Hulda M. Andersen, visiting nurse, and Miss Alice Glenn, Red Cross nurse, will go to Madison, Wednesday, to attend the state conference of health officers and public health nurses. Dr. Fred B. Welch, health officer, and Miss Anna Luetscher, county nurse, are now in attendance.

SANITARY ENGINEERS TO MEET AUGUST 20

Mayor T. E. Welch received a communication Tuesday, from the American Society of Sanitary Engineering urging that Plumbing Inspector George W. Sligham attend the society's annual convention at Cedar Point, Sandusky, O., Aug. 20-25.

HOME FROM CONVENTION

Mr. and Mrs. George J. Bennett have returned from a trip to Atlantic City where Mr. Bennett attended the Knights of Columbus national convention as a delegate from Wisconsin.

Signing of Peace by Operators and Miners Effectuated

BULLETIN.
Cleveland.—An agreement, ending in part the soft coal strike, in effect since April 1, was unanimously approved by operators and miners in a joint conference here at 3:10 Tuesday. Signing of the agreement started immediately.

(By Associated Press)

Cleveland—A wage scale was ready Tuesday for the signa-

tures of soft coal operators and miners, and prospects were that some mines would be opened Wednesday. Formal ratification was set for the afternoon, the conferees meeting at 2 p. m. All details of the scale were approved by both sides. Separate meetings of miners and operators were held Tuesday morning for voting final approval.

"The strike is now over," said Joseph Pursglove, an operator who served on the sub-committee. In brief, the settlement provides that the miners shall be returned to work at the same scale of wages that were in effect when they went on strike; the new contract to run from April 1 to next April; the agreement also provides for appointment of an advisory fact finding commission, a part of its duties to consider future settlements of disputes in the coal industry.

MERRICK, HEAD OF DAIRY FIRM, DIES

Stricken Suddenly With Apoplexy After Day of Work at Plant.

Bert L. Merrick, 67, senior member of the Merrick Dairy company here since its establishment eight years ago, died suddenly of apoplexy at his home, 321 West 12th street, at 3 p. m. Monday. He had spent the day in active work at the dairy company's plant on South Franklin street, and was stricken down while walking on the lawn in front of his home.

Born at Richmond, Ill., January 10, 1855, Mr. Merrick was educated in the public schools at Hebron, Ill. He was married at Arena, Wis., January 7, 1886, to Miss Jennie Lloyd, of Mazomanie.

Lived Here 16 Years.

Following their marriage they lived at Storm Lake, Ia., for two years, then moved to Janesville. For three years, they came to Janesville 16 years ago and have lived here continuously since.

Learning the trade of butter and cheese making when a young man, he devoted his entire life to the production and manufacture of milk and milk products. He founded the Merrick Dairy company here in 1914 and was actively engaged in it until two hours before his death.

Funeral is Thursday.

He was a member of the Advent Church, of Arena, and the Equitable Fraternal Union of Black Earth. He was a man of quiet, unassuming disposition who loved his family and his home.

Those left to mourn his death are: His wife, Mrs. Merrick, 15 years; George, of Arena, and the Equitable Fraternal Union of Black Earth. He was a man of quiet, unassuming disposition who loved his family and his home.

Those left to mourn his death are: His wife, Mrs. Merrick, 15 years; George, of Arena, and the Equitable Fraternal Union of Black Earth. He was a man of quiet, unassuming disposition who loved his family and his home.

CHANCES GOOD FOR QUICK SETTLEMENT

Washington.—The brightest ray in the darkened industrial situation appeared Tuesday from the anthracite.

Skull Fractured in Auto Accident

Watertown.—Edward Sauer, 32, in a serious condition at a local hospital and may die from injuries sustained when an automobile in which he was riding with two other skidded and turned over, killing the driver and fracturing the skull. Sauer sustained a fractured skull. His companions, Walter H. Schmeling and Herman Schultz, escaped with minor injuries.

STONE FROM ROAD STUNS DRIVER; CAR DITCHED; GIRL DEAD

Rockford.—Mrs. Ione Lucille Moore, 17, wife of Marshall Moore, Rockford, was instantly killed Sunday, when the automobile in which she was riding with her husband overturned in a ditch near Rockville, Ill., and the car was struck by a stone, thrown from the road by a passing machine.

Women Demand Clear Statement from Mmes. La Follette, Blaine

(By Associated Press)
Madison.—State prohibition agents, "appointed directly or indirectly by Governor J. J. Blaine, have mysteriously vanished from wet counties during the past two weeks," Ellen Minahan, prominent Milwaukee woman, said Tuesday in a letter to Mrs. Robert M. La Follette and Mrs. Blaine.

"Tell us dry women where they went and why they went," she requested of the wives of the candidates for U. S. senator and governor.

"Does not their disappearance look like a wet campaign move, and will they again respond to attend to their duties after election?" she asked.

"Letters inform us that, in your campaign talks, you attack the Wisconsin Anti-Saloon league for opposing re-election of Governor Blaine," the letter continued.

"Your talks convey the impression that the league is the only body opposing the governor. Permit me to inform you that the women opposed Governor Blaine two years ago and are still more strenuously opposed to his re-election at this time, chiefly because of his record during the last legislature and his attitude during the present campaign."

After naming a list of alleged millionnaire contributors to the funds of the Association Against the Prohibition Amendment, said to be tacitly supporting Governor Blaine, the letter asked that the speakers explain what the said were inconsistencies in the talks of the wives of the candidates.

THE WEATHER IN WISCONSIN

Generally fair Tuesday night and Wednesday, except probably showers in northwest portion; not much change in temperature.

Walworth County

SHARON

[By Gazette Correspondent.] Sharon—Mr. and Mrs. B. N. Lilley spent the week-end at Bolvidere and attended the meetings at Camp Edwards. A son was born the first of last week to Mr. and Mrs. Charles Manning. Mrs. Manning is a daughter of Mr. and Mrs. A. C. Pond. Mrs. Fred Peters and daughters were called to Waukegan, Wis., Saturday by the illness of her mother. Miss Laura Densmore left Saturday for a visit with friends in Janesville. To-morrow and Marshall. John Buckingham, Chicago, was a week-end visitor with his mother at the home of B. W. Lilley. Edward Parkes, Chicago, motored to Sharon Sunday to join his wife and daughter in a visit with relatives. Ralph Weeks, Milwaukee, came Saturday for a visit with his parents, Mr. and Mrs. Emory Weeks. Mrs. L. A. Culver, Chicago, and Miss Hather LeBaron of Geneva lake, who have been visiting at the home of Mr. and Mrs. A. M. Salisbury, left Sunday for their homes. Miss Esther James, who has been spending the week with her grandparents near Janesville, returned home Sunday. Mr. and Mrs. Glenn Lowell and Mrs. A. D. Lowell were at Janesville Saturday when Mrs. Glenn Lowell had her tonsils removed. Mr. and Mrs. Joseph Engelhardt and Mr. and Mrs. Fred Piper motored to Painesville Saturday to visit Mr. and Mrs. Henry Engelhardt. Mrs. Tom James spent Saturday in Darien with relatives. Miss Eva Rector went to Harvard Saturday to spend the week-end with her sister, Mrs. Flora Blaser and her family. Mrs. Finn has gone to family where she will spend two months with her sister, J. Baker, who has been visiting relatives in the northern part of the state, came Saturday to join his wife in a visit at Watco, Wis. Mrs. Brownson home. Mr. and Mrs. A. C. Pond and grandson, Bobby Manning and Mr. and Mrs. Robert Brown left Saturday for an auto trip to Watco, Wis. to visit Mr. and Mrs. Stewart Pond.

WHITEWATER

Whitewater—Mr. and Mrs. W. H. Cox arrived Wednesday and are with their daughter Mrs. Grace Saxe and family. Mr. and Mrs. Fred Niquet and daughters, Dorothy and Alice, once and Mrs. Eddy all of Beloit, were Sunday visitors of Mr. and Mrs. John Fluekiger and other relatives. Frank Holmes spent Sunday with his mother, Mrs. Henry Holmes. Mr. and Mrs. Amos Eagle and son Leslie, and Mr. and Mrs. W. H. Cox motored to Lake Geneva, Sunday afternoon. Mrs. Joe Brockway, Mrs. Bert Lund and daughter Theima, visited in Cambridge and Mazomanie last week. Mrs. J. M. Anderson is in Chicago with relatives. Mr. and Mrs. John Winn went to Watco last week to see Mrs. Winn's brother. Mr. and Mrs. George Skogmo and children, Milwaukee, were guests of Mr. and Mrs. R. K. Cox, over Sunday. Mr. and Mrs. Grover Wheeler, Waukegan, spent Sunday with their mother, Mrs. Amanda Wheeler and family. Miss Margaret Stowell, Glenwood, Ill., has visited her aunt, Mrs. I. M. Blackman, the past week. Mrs. John Hayes and children, Woodstock, Ill., are visiting relatives and friends in Whitewater. Mrs. Doris Kwapi and two daughters returned Sunday from a two weeks' vacation in Milwaukee, Mukwonago and Lake Beloit. Miss Mary Cahill, Milwaukee, and James Cahill, Chicago, are spending their vacations with their mother and family. Rev. W. C. Revell, Port Atkinson, preached at the Congregational church Sunday morning. Rev. Webster Miller, Janesville, filled the pulpit at the Methodist church. Twelve couples of the Whitewater Dancing club motored to Oconomowoc for dinner Friday night and enjoyed the dancing at Silver Lake.

DARIN

Darin—Bruce Dodge, Green Bay, called on relatives in town Saturday. W. N. More, St. Paul, called at the J. Turner and Marylin's home Saturday. Mrs. Will Trux, daughter and son-in-law, Mr. and Mrs. Dodge, drove from Harvard Friday and called on the former's brother, Hugh Long. Mrs. W. Reid and daughter, Elgin, Chicago, are visiting her sister, Mrs. George Mitchell. Mrs. Hal Otis and daughter, Elgin, are visiting at the J. E. Langdon home. Mr. and Mrs. John Mawhinney and Mrs. Nattie Clowes attended a family reunion at the home of Miss Abbie McArthur, Emerald Grove, Sunday. Mr. and Mrs. E. Wise spent Sunday at Delavan. Mrs. W. H. Wise's brother, A. son was born Monday, Aug. 14, to Mr. and Mrs. Cyrus Matthews. Mr. and Mrs. Walter Christensen and family spent Sunday in Madison. Rev. and Mrs. E. W. Palmer left Monday for their new home in Berlin, Wis. Mr. and Mrs. Edward Clough, Milwaukee, spent the week-end with relatives in town. Henry B. Heyer of the J. E. T. company, Milwaukee, is enjoying a two weeks' vacation.

WALWORTH

Walworth—Miss Alice Christanson, Evanston, Ill., called on friends here Saturday night, on her way to Clinton to spend Sunday with her parents. Miss Lita Wette is visiting Harvard relatives. Clarence Brown and family, left Sunday on a vacation. The Royal Neighbors enjoyed a picnic on Douglas hill Thursday. The Ladies' Aid society of the Congregational church held an all day meeting Thursday at the W. W. Davis home. Mrs. G. E. Hawley, Harvard, called here Thursday. Miss Hollis Hawley has returned from Mercy hospital, much improved in health. Miss Daisy Phillips is assisting in the Walworth State bank. Messrs. and Misses Herman Stoppel and Bert Stoppel visited Mr. and Mrs. Arthur Robar. Mrs. Ben Hofacker, Zenda, shopped here Wednesday. Mr. and Mrs. George B. Crandall, Elgin church, celebrated their golden wedding at their home Thursday. Mr. and Mrs. F. Howard Miller spent Sunday in Beloit. C. A. Storbeck is taking a vacation from his duties at the Walworth factory. Miss Lucy Seaver, Beloit, spent the week-end with her parents. Miss Muriel Maxson is visiting here, on her way to Battle Creek, Mich., where she will attend school. Stewart Seaver is visiting his aunt, Mrs. John Topping, Delavan. Mrs. W. L. Seaver enjoyed a visit from an old schoolmate, Miss Marlene Hawley, Lake Geneva, visited her grandparents, Mr. and Mrs. J. E. Van Schaick. Miss Florence Rittenberg, Cleve-

land, O., spent Wednesday with Miss Debbie McElwain. A son was born last week to Mr. and Mrs. F. Howard. Mr. and Mrs. Arthur Crandall, Washington, are visiting relatives and friends here. Miss Otilie Hentzen is visiting in Aurora, Ill.

COUNCIL BUYS SEVEN MUSHROOM LIGHTS

(Continued from Page 1.) purchase of 500 feet especially for the street department we will, do away with this everlasting jungle over home. If the water department wants some hose of its own, it can buy it. It is not up to the council to pass on that, too."

Snyder to Madison. Purchase of the mushroom lights and hose featured an 85-minute session devoted mostly to the transaction of routine business. Three aldermen—Gardner, Jensen and Weir—were absent, and Deputy City Attorney Robert J. Cunningham attended in the absence of City Attorney Roger G. Cunningham.

Upon motion of Ald. J. J. Cronin it was voted to have City Clerk Glen G. Snyder attend the annual state convention of sealers at Madison, Oct. 10-12.

Vacation periods of two weeks each were granted the city treasurer, clerk, plumbing inspector, sanitary inspector, street commissioner and janitor, with the understanding the city clerk will take his day or two days at a time. In addition the sanitary inspector, Dr. L. J. Woodworth, was given a week's leave to allow him to make a motor trip to Yellowstone park.

The clean-up of Rock river's banks cost the city \$33,414. It was reported to the council by City Clerk E. J. Sartell. The amount appropriated was \$360, so the council approved the extra \$32.

No Bids on Coal
No one bid having been received for supplying the city with coal for this winter, the council voted to extend the period for bids to August 21. The appointment of Neuben Long, janitor for N. L. Charles' west side blocks, as special police to guard the hallways at night, was renewed upon recommendation of Alderman Cronin.

Sign erection permits were granted to Joe Donaghy, 312 West Milwaukee street; J. O. Gallup, 1213 North Washington street; and the Palace Billiard hall, Mike Boutos & Co., 212 West Milwaukee street, the store formerly occupied by the Morrissey sisters. Application of the Automotive Garage, 299 East Milwaukee street, for permission to erect a filling station, was laid over one week for investigation.

Protest on Tanks
Protest of 28 Spring Brook residents and corporations against the proposed erection of gasoline storage tanks by the Standard Oil Co. was accepted and turned over to the city attorney, and Building Inspector George Slightam was instructed to refuse the company a permit when application is made to erect the tanks. It is understood the company proposes to place them in the block bounded on the north by the St. Paul tracks, west by North-western tracks, south by State street and east by Harold avenue. The petition against the work characterizes tanks as "a nuisance and a fire hazard."

City Clerk Sartell announced two changes in voting booths for the next registration and primary day. The first precinct of the Fourth ward will have its voting place in the pink while the Seventh ward booth will be in the old Boub brewery.

Nine Get Licenses
Two bonded carriers' licenses at \$25 each were granted to R. A. L. Bogan for his new motor stage, Janesville to Watertown, and one to W. J. Kitzke, Janesville to Milton. Tax drivers' licenses were issued to: E. C. Krueger, George McCarthy, John Gately, John Larson and Matt Hammes. George Plakas and Matt Hammes secured taxicab licenses and R. H. Simpson a license to excavate in the street.

Only \$14,237 worth of building work was started in Janesville in July, the monthly report of the building inspector showed. The report listed 32 permits as follows: Dwellings, 3; additions or alterations, 12; garages, 4; miscellaneous, 2. There were 43 inspections and \$25.40 was collected in fees.

The plumbing inspector's report for July shows 58 permits, 34 inspections and \$32 in fees. Other monthly reports were received by the council from: Police department, visiting nursing station, sanitary inspector, health officer, municipal court and board of education; and a quarterly report from the water department.

Rauch-Merrick Marriage—Miss Marie Rauch, daughter of Mr. and Mrs. Rauch, 505 South Academy street, and William Merrick, Jr., son of William Merrick, 171 South Franklin street, the Rev. Mr. Monday officiating. The bride was attended by Mrs. H. Smallbrook, this city, and Mrs. Charles Krasko, Wisconsin Rapids.

Following the ceremony, a wedding dinner was served at a chop suey house in Beloit. The couple left by train for Milwaukee later in the day, and will be at home after August 21 at 617 South Franklin street.

The groom is employed at the Samson Tractor company.

Meets Wednesday—St. Patrick's Court No. 315, will have its regular meeting at 7:30 Wednesday night at St. Patrick's hall.

Kellogg's Entertainment—Mr. and Mrs. Edward Kellogg, 614 North street, entertained a company of 20 relatives at a Sunday dinner. The tables were decorated with summer garden flowers. Out-of-town guests present were J. and Mrs. Thomas, and Mrs. Clifford Wikom, Irene and Thomas Wikom, Milton Junction, and Mrs. William Whalen, Beloit, and Mrs. A. Sennett, Brodhead.

Entertainers Evansville School—Mrs. Norris Thayer, 555 South Main street, entertained at a dinner party Saturday night. Her guests were eight Evansville women who were school mates of Mrs. Thayer. The dinner table was made attractive with a pink centerpiece of mixed gladioli, Miss Doris Copeland, Evansville, who is in camp at Lake Kegonsa, came down to attend. The dinner was served at the Thayer home.

Dinner at Country Club—Mr. and Mrs. Stanley Dunwiddie, 429 North Jackson street, gave a dinner party Monday night at the Country club, entertaining five couples at a seven o'clock dinner. Covers were laid on one table on the porch, decorated with a large centerpiece basket of pink cosmos. The guests from out of the city were Mr. and Mrs. Fred Green, Toledo, O., Mr. and Mrs. Lawrence Doty, Chicago, and Miss Agnes Harlin, Chicago.

Guests at Dailoy's—A party of nine young women motored to Lake Geneva, Monday, and were guests there of Mrs. Robert Dailoy at Wildhurst. A picnic luncheon was served at 1 o'clock on the porch overlooking the lake. A swimming party was enjoyed in the morning and in the afternoon a White Elephant game was played. Later bridge phant game was played with Miss Marjorie Van Kirk winning the prize. Those who motored over were Mesdames Ralph Soulmán, Frank Sutherland, George Kahn, J. C. Bostwick, E. P. Shulinger, L. J. Woodworth, and Misses Marjorie Van Kirk and Louise Ford.

Return from North—Mesdames Frank Slavson, H. M. Michaels, F. O. Howe, this city, and Don Jeffries, Chicago, are home from an automobile trip to Marinette, Rhineland and the northern lakes.

Entertain Card Club—Mrs. Peter J. McFarland, 1102 Milton avenue, was hostess Monday afternoon to members of the card club. Five hundred was played, the prizes going to Mrs. J. R. Lamb and Mrs. E. Brown. A picnic supper was served in two courses at small tables, decorated with yellow and white flowers.

To Entertain Women—The John C. Fox Division No. 710, Brotherhood of Locomotive Engineers, will entertain their wives and friends at East Side Odd Fellows hall at 3 p. m. Sunday. There will be two speakers, music and refreshments.

Accepts Chicago Position—Karl M. Tost, 1223 Ravine street, left Monday for Chicago, where he has taken a position with the Lloyd Thomas Appraising company. He was formerly connected with the Samson company. Mrs. Tost will remain here until Sept.

Constipation

Relieved Without the Use of Laxatives

Nujol is a lubricant—not a medicine or laxative—so cannot gripe. When you are constipated, not enough of Nature's lubricating liquid is produced in the bowel to keep the food waste soft and moving. Doctors prescribe Nujol because it acts like its natural lubricant and thus replaces it. Try it today.

Nujol
A LUBRICANT—NOT A LAXATIVE

Mr. and Mrs. A. Piper and two sons arrived in this city Saturday from their home in Princeton, Ill., for a week's visit with Mr. and Mrs. John Q. Simmons, 337 North Jackson street.

Janesville Players Defeated in State Tennis Tourney

Copyright 1920 by Geo. McManus

BOWER CITY STARTS WILL WIND UP PLAY IN CONSOLATIONS

(Special to the Gazette.)
Town Club, Milwaukee—George Bennett, Janesville, undergraduate tennis title holder of the University of Wisconsin and Merrill Nowlan, Yale, who met defeat in their first round Monday in the Wisconsin state tennis tournament here. Both boys played good tennis, but they were against top competitors.
Bennett put up a stirring fight but lost to Reeder. The score was 6-3, 6-2.
Nowlan had a much harder opponent in H. Gotfredson, a University of Wisconsin player. He lost, 6-2, 6-0.

Busy Man's Sport Page

BY FRANK SINCLAIR
THE FIRST real test of the New York state boxing commission's authority comes this week. There are two battles scheduled in which champions are to be exchanged. One took place Monday night between Dave Rosenberg and Phil Krug at Brooklyn for the middleweight title. Rosenberg, winner of the crown, is still the title holder.
THE OTHER battle takes place Tuesday night between Johnny Dundee, junior lightweight champion, and Eddy Pruss. The winners to be declared holder of the featherweight title held outside of New York by Johnny Kilbane.

Bennett Plays Tuesday.
Bennett was to have met Wade in the consolation Tuesday afternoon. Nowlan will not play in the consolation until Wednesday. In Monday's play, Art Subbell, Chicago, lives up to predictions and won his first and second round matches. He defeated R. Smith in the morning round, 6-1, 6-3. In the afternoon, he trimmed Glen Naxon, 6-2, 6-0.

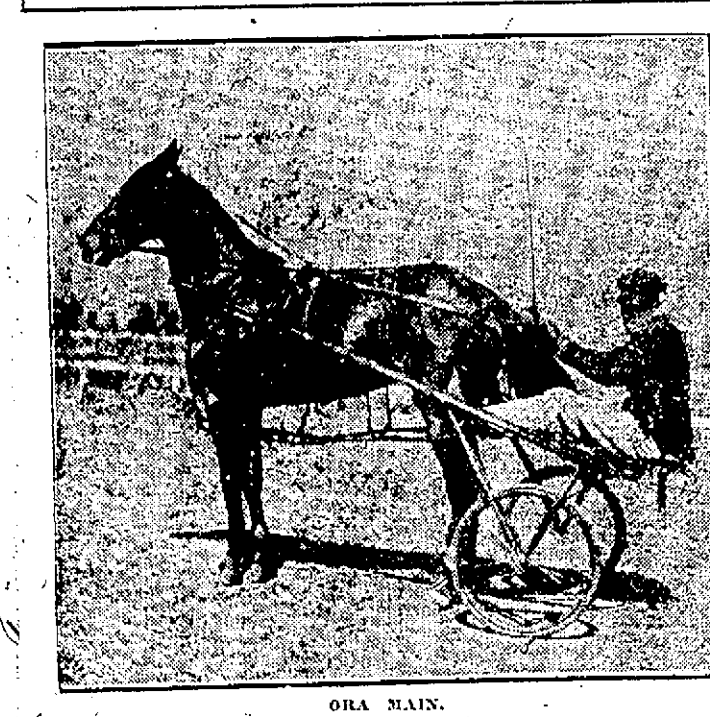

Evansville Club Defeated, 11 to 3

(By Gazette Correspondent.)
Janesville, Evansville city baseball team dropped to Belleville at the latter place Sunday. The local boys evened the count in the fifth, but Belleville hammered away for big seventh and eighth innings. Wabber, Belleville's pitcher, allowed but four hits. Both sides made six errors. The box score:
Evansville (3) AB. R. H. PO. A. E.
Christman, If. 4 0 0 1 1 0
Tilly, If. 4 0 0 1 1 0

First base on error—Evansville, 6; Belleville, 5; Hit by pitcher—Helgeson by Wabber. Sacrifice hit—Francis, Kettleson, Stolen bases—Christman, Tilly, 2; Beafield, Helgeson, Francis, V. Ross, Kettleson. Umpire—Roberts.

Magnolia Wins Double Header

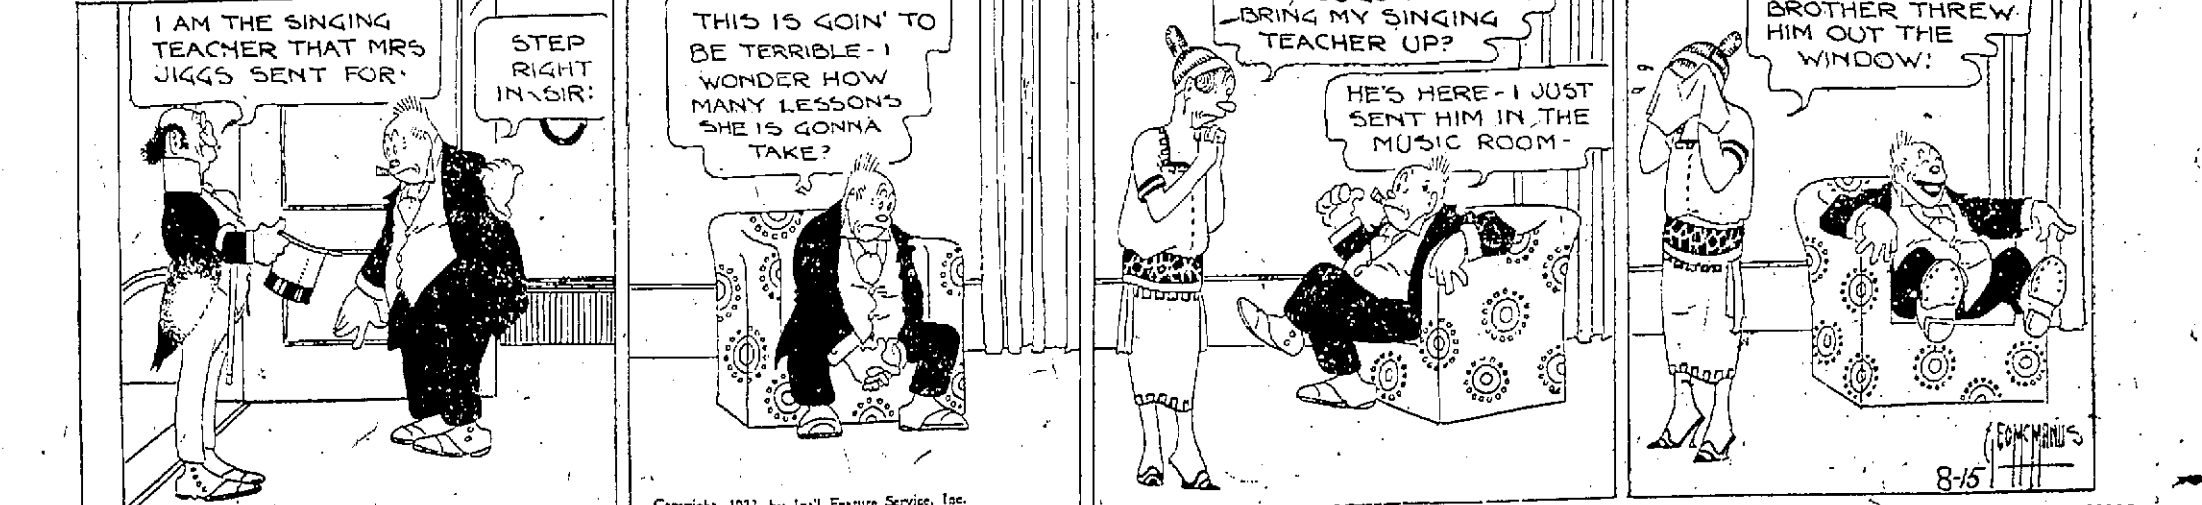

(By Gazette Correspondent.)
Evansville, Magnolia, defeated Footville on their home lot Sunday, 12 to 4. Snyder and Gutkoff worked for Footville; Dolley and Sperry formed Magnolia's battery.

Ora Main, Bay Sidewheeler, Enters for Battle at Badger State Fair

ORA MAIN.
Fourth in 2:05 pace here last week.
Last fall, a modest young horseman by the name of Wolverton pulled in to the Grand Circuit meeting at Columbus with a bay pacing gelding called Ora Main. While Ora Main had been showing well in his races on the half-mile tracks in Indiana, the Big Ring boys did not consider him real seriously when he appeared in a field of good pacers on the opening day of the meeting. But there was nothing to it but Wolverton from Indiana had a mark of 2:04 1/4 that night. Those who witnessed the race were of the opinion that Ora Main could have paced 2:02 had he been strung to the limit that day, and today he is regarded as one of the best stake pacers in training.
He finished fourth in the 2:05 at Janesville last week and is entered at Monroe this week.

BRINGING UP FATHER

Big List of 252 Entries for Monroe Harness Meet

(By Staff Correspondent.)
Monroe—With 252 entries for the week and purses totalling \$7,700, the harness meeting of the Wisconsin Grand circuit at the Monroe fair starts Wednesday. An inspection of the track here shows it to be in first race condition.
The program for the week is as follows:
Wednesday—Two year old trot, purse \$250; 2:30 pace, purse \$1,000.
Thursday—2:30 pace, purse \$500; 2:20 trot, purse \$400.
Friday—2:16 trot, purse \$1,000; 2:25 pace, purse \$400; three year old trot, purse \$500.
Saturday—Free for all pace, purse \$600; 2:14 trot, purse \$500; 2:20 trot, purse \$1,000.
Most of the horses that competed at Janesville are in the entries here. The feature event of the week is the 2:00 pace on Wednesday. In it are Banner M., second in the 2:05 pace at Janesville; Ora Main, fourth in the same event and Aquilla Dillon, fifth in the 2:05 pace. In the other Wednesday race, Jean Whirly, winner of the two year old trot of Janesville, is entered in the same class at Monroe as Gus Broecker, second place taker and Chasty, fourth place winner at the Bower city trot event.
Russell Egan, who captured the 2:05 pace at Janesville in record equalling time is entered in Saturday's free for all, as is Red Lancelotti, third in the 2:05 at Janesville. There are eight starters in the free for all.
Two Winners Clash
Mas Marie, winner of the 2:17 pace over Boston Red Sox in benefit exhibition.

Jefferson

Jefferson—The city of Jefferson and village of Johnson Creek united in celebrating the opening of the concrete road between these two places Monday afternoon. An auto parade in which about 75 automobiles, filled with Jefferson people, participated, formed in front of the court house at 2 p. m. and left for Johnson Creek, headed by the Arion band on a large parade wagon. The program, followed by the large wagon of a farmer, with a load of children, returned to Jefferson, where the following program was given: Selection, Arion band; welcome address, Mayor John A. Hazelwood; invitation to Jefferson, Mayor J. B. Brewer; selection, band. The pageant was cleverly arranged. Traveling on foot was first, followed by the large wagon of a farmer, with a load of children, returned to Jefferson, where the following program was given: Selection, Arion band; welcome address, Mayor John A. Hazelwood; invitation to Jefferson, Mayor J. B. Brewer; selection, band.

DOUGLAS WINS, 10-7.

One Standard—The Highest

One Standard—The Highest

Every appliance sold by this Company has been subjected to the most severe test in regard to material, construction and efficient operation. This means that it is of the highest standard that it is possible to obtain and carries with it the broadest kind of a guarantee covering material, workmanship, convenience and economy.

New Type Ranges Cook Better

New Type Ranges Cook Better

They save gas, too. The reason is simple: They have "all-open" cooking tops permitting entrance of air which insures a hot gas flame. Then the burners are set close to the utensils so that intense penetrating heat is applied directly to them.

In addition, the new ranges are all of the free oven circulation type, which means that the baking is done with heated fresh air. Scientific insulation or dead air

In addition, the new ranges are all of the free oven circulation type, which means that the baking is done with heated fresh air. Scientific insulation or dead air space means that much of the heat is retained and, therefore, the baking is done with greatest economy. See the new Gas Ranges at our showroom.

How Petroleum Helps Fill the Nation's Bread-basket

FEW of those who consume farm products realize the extent to which the price of

FEW of those who consume farm products realize the extent to which the price of such commodities is affected by automotive machinery.

The fact that the cost of field work is reduced by the use of tractors is well known. The fact that the production of such commodities is conserved by the use of

such commodities is affected by automotive machinery.

Now comes the National Automobile Association in its Year Book of 1922 with the statement that the cost of hauling products in horse-driven wagons from the farm to shipping points averages 30c per ton mile for wheat and 35c for corn, while over the same roads the cost of hauling by motor truck is only 15c per ton mile.

The fact that the cost of field work is reduced

By the intelligent farmer in the 10 states served by the Standard Oil Company (Indiana) realizes the efficiency of power transportation is shown by the fact that he owns and operates 1,112,203 automobiles and 46,582 motor trucks. These are distributed as follows:

by the use of tractors is well known. The fact that the farmer's time is conserved by the use of

	Motor Cars On Farms	Motor Trucks On Farms
Indiana - - -	102,122	3,671
Illinois - - -	139,090	6,154
Michigan - - -	82,437	4,886
Wisconsin - - -	98,825	4,044
Minnesota - - -	107,824	3,803
Iowa - - -	177,558	9,910
	766,399	5,060

Now comes the National Automobile Association

Missouri	-	86,229	3,988
North Dakota	-	47,711	774
South Dakota	-	58,352	4,353
Kansas	-	111,052	3,928

These cars and trucks can be operated on the same basis as similar equipment in towns and cities because the Standard Oil Company, through its local distribution system

in its Year Book of 1922 with the statement that the cost of hauling products in horse-driven

delivers its products into the farmer's storage tank under the same conditions as to the city dweller having similar equipment.

In thus rendering a service to the farmer this Company renders a service to every individual who consumes farm products.

wagons from the farm to shipping points averages 30c per ton mile for wheat and 35c for corn;

ZONING ORDINANCE for Janesville, Wisconsin.

The Mayor and Common Council of the City of Janesville, do ordain as follows:

SECTION I.

In order to designate, regulate, and restrict the location or locations of buildings or structures designed or occupied for specified uses, the City of Janesville is divided into districts, as follows:

First Residence Districts.

Second Residence Districts.

Industrial District.

As herein further defined and limited as shown on a map entitled "Building Zone Plan of the City of Janesville" accompanying this Ordinance filed in the office of the City Clerk of said City on May 20, 1932, which said map is hereby declared to be a part hereof. The Districts designated herein and on said map and the boundaries thereof are hereby established. No building or premises shall be erected or used for any purpose other than the purpose permitted in the District in which such premises, building or property is located, except as provided in the height and area regulations hereinafter established, except as provided in Sections VII and VIII hereof.

SECTION II.

Use Regulations. In First Residence Districts no building or structure shall be erected, constructed, altered or maintained, except as provided in Section VII hereof, which shall be used, or intended to be used, for any purpose other than that of a single or two family dwelling, boarding or rooming house for not more than twenty rooms or boarders, private clubs, (except clubs the chief activity of which is a service usually carried on as a business), religious, public, educational, philanthropic and eleemosynary (other than correctional) institutions, lunch telephone exchange, or hospital.

SECTION III.

In Second Residence Districts no building or structure shall be erected, constructed, altered or maintained, except as provided in Section VII hereof, which shall be used, or intended to be used for any purpose other than those specified in First Residence Districts hereinafter, or multiple dwelling or flat dwelling, boarding or rooming house, or other structure, which shall be used, or intended to be used, for any purpose other than that of a single or two family dwelling, boarding or rooming house for not more than twenty rooms or boarders, private clubs, (except clubs the chief activity of which is a service usually carried on as a business), religious, public, educational, philanthropic and eleemosynary (other than correctional) institutions, lunch telephone exchange, or hospital.

SECTION IV.

In First Business Districts no building or structure shall be erected, constructed, altered or maintained, except as provided in Section VII hereof, which shall be used, or intended to be used for any purpose other than those specified in First Residence Districts hereinafter, or multiple dwelling or flat dwelling, boarding or rooming house, or other structure, which shall be used, or intended to be used, for any purpose other than that of a single or two family dwelling, boarding or rooming house for not more than twenty rooms or boarders, private clubs, (except clubs the chief activity of which is a service usually carried on as a business), religious, public, educational, philanthropic and eleemosynary (other than correctional) institutions, lunch telephone exchange, or hospital.

SECTION V.

In Second Business Districts no building or structure shall be erected, constructed, altered or maintained, except as provided in Section VII hereof, which shall be used, or intended to be used for any purpose other than those specified in First Business Districts hereinafter, or multiple dwelling or flat dwelling, boarding or rooming house, or other structure, which shall be used, or intended to be used, for any purpose other than that of a single or two family dwelling, boarding or rooming house for not more than twenty rooms or boarders, private clubs, (except clubs the chief activity of which is a service usually carried on as a business), religious, public, educational, philanthropic and eleemosynary (other than correctional) institutions, lunch telephone exchange, or hospital.

SECTION VI.

In Industrial Districts no building, structure or premises shall be erected, constructed, altered or maintained, which shall be used or designed, or intended to be used, for the manufacture of goods, or for other explosives, reduction, collection or incineration of offal, carcasses, garbage, bones, or refuse, making soap, candles, glue, tallow, oil, chemicals, bone or fat, or for any other purpose so inherently dangerous to persons or to property or so noxious or offensive by reason of emission of dust, smoke or noise, and which is not forbidden by paragraph (f) of this section.

SECTION VII.

Existing Non-Conforming Uses Continued. Any lawful use existing in any building or premises at the time of the passage of this ordinance may be continued therein, although not conforming to the regulations of the use district in which such building or premises are situated.

Changes Allowed. Such non-conforming use may be changed to another non-conforming use which is not inherently dangerous to persons or property or noxious or offensive by reason of the emission of odor, dust, smoke or noise, and which is not forbidden by paragraph (f) of this section.

Re-Building and Adding to Non-Conforming Uses. Any non-conforming building or premises existing, or in which a non-conforming use exists, at the time of the passage of this ordinance, may be altered, repaired, or rebuilt in case of impairment or destruction by fire or other cause, or additions may be made thereto, all by permission of the Common Council on recommendation of the City Plan Commission, providing that such rebuilding, changes or additions will not injuriously affect neighboring property or the public health, safety and general welfare, and that they conform to the area and height regulations of the district in which such buildings or premises are, and to the city building ordinances.

Alteration of Existing Residences. In First Residence Districts, residences existing at the time this ordinance becomes effective may be altered so as to accommodate not more than four families, provided such alterations conform to the area and height regulations herein established.

Accessory Buildings, Doctors' Offices in Dwellings, etc. Nothing contained herein shall prevent the usual accessories to uses which are permitted by the provisions of this ordinance, such as the use by a physician, surgeon, dentist, or other person practicing the art of healing, artist or musician, or other professional of his or her residence as an office or studio. Customary outbuildings, including house boats, boat houses, bridges, vessels or

railroad shelter may be located within or maintained as accessory to any building lawfully within the boundaries of any district herein specified. The term "accessory" shall not include a business, a billboard or advertising sign, or window or other display. A garage for more than four motor vehicles shall not be deemed accessory.

Restrictions as to Garages and Oil or Gasoline Distributing Stations. No oil or gasoline distributing station shall be located upon the corner of any block, so as to have an entrance or exit for automobiles upon two intersecting streets; and no garage for more than four cars shall be located so as to have an entrance or exit for automobiles upon the street within 200 feet of the main entrance or exit of a church, hospital, public or private school, playground, orphanage or children's home, for children of years of age, if it is the same block, or less than 100 feet if not in the same block; provided that the institutions for children named herein are attended by more than 12 children per day.

Ice Houses. Ice houses for the storage of natural ice may be erected and maintained upon the banks of Rock River at places permitted by the Common Council upon the recommendation of the City Plan Commission.

Undeveloped Areas. In outlying undeveloped areas permits may be granted for the erection of green houses, hot houses and nurseries, provided that such structures are not within 300 feet of an existing dwelling not to be used in connection with them or any of them, and permits may also be granted for the usual farm buildings upon lands in such outlying areas used for farm purposes. And upon such undeveloped areas temporary non-conforming structures may be erected for not more than two years, unless the mayor or common council upon recommendation of the City Plan Commission, shall otherwise order.

HEIGHT AND AREA REGULATIONS.

General Provisions and Definitions.

(a) When a building is to be erected near an existing building or buildings which do not conform to the area or height regulations herein provided, or in the case of narrow blocks where the lot fronting on the block and front on two streets, and in other situations where compliance with this ordinance would cause great hardship, the mayor and common council upon recommendation of the City Plan Commission, grant a permit for a building or buildings which will not conform to the provisions of this ordinance, but no such permit shall be granted which would injuriously affect the public health, safety or general welfare, or which would introduce any non-conforming use in any district, except those cases as provided in Section seven (7), preceding.

(b) A corner lot is a lot at a corner or junction of two or more intersecting streets between which there is an interior angle of less than 135 degrees.

(c) A rear yard is an open space, unoccupied by a structure, on the same lot with a building, between the extreme rear line of the building opposite the street front and the rear line of the lot. The owner of a corner lot may elect, by a statement in his plans, any street boundary as his front. In the case of a triangular or corner lot the rear line is the boundary bordering on a street. The depth of a lot is the average distance from the street front line of the lot to the rear of the lot.

(d) A building that is back to back with the rear of another property (and not back to side), and which extends more than 55 feet back from the nearest street, must have a rear yard, as provided herein, unless its rear abuts upon a public alley at least 12 feet wide, in which case a rear yard is not required. But the requirement of rear yard must be reciprocal and cannot be imposed upon one lot unless there would be a similar obligation under this ordinance with respect to a building erected upon a lot or plot immediately behind such yard.

(e) The area of a building within the meaning of this ordinance shall be the maximum horizontal projection of the building as it is constructed, not including open iron work fire escapes.

SECTION IX.

Height Regulations.

(a) Except as provided in Section VIII hereof, no building hereafter erected shall exceed in height the restrictions hereby established for the district wherein such building is erected, nor shall any existing building be altered so as to increase its height in such a way as to exceed the restrictions established for the district wherein such building exists; provided, however, that grain elevators, gas tanks and other such industrial structures, also towers and spires, may be erected to any height; provided, however, that the maximum horizontal dimensions of a spire or tower shall not exceed one-fourth the maximum frontage of the building on any street nor shall such tower or spire have a base area greater than twenty-five hundred (2500) square feet.

SECTION X.

No building exceeding 45 feet in height shall be erected in the First Residence district hereof, except that churches, school buildings and other institutional buildings referred to in Section II hereof may be erected to a height of 60 feet and that towers and spires may be built as provided above.

SECTION XI.

No building shall be erected in the Second Residence district where height exceeds 35 feet, except as provided herein for towers and spires.

SECTION XII.

No building shall be erected in the First or Second Business districts where height exceeds 40 feet, except as provided for towers and spires.

SECTION XIII.

No building or structure shall be erected in an Industrial District where height exceeds 80 feet, except that grain elevators, chimneys and other such industrial structures and special processes, also towers and spires, may be built as above provided.

SECTION XIV.

Area Regulations. Except as provided in Section VIII hereof, no building hereafter erected shall exceed in area the restrictions hereby established for the district

wherein such building is erected nor shall any existing building be altered so as to increase or change its area in such a way as to exceed the restrictions established for the district wherein such building exists.

SECTION XV.

(a) Except as provided in section VIII, no buildings shall hereafter be erected in the First Residence district whose area exceeds 60% of the area of the lot or plot upon which they are erected, nor shall they be built so as to extend within fifteen feet of any street line or within eight feet of either side line or within ten feet from the rear line, excepting that a garage or other outbuilding not more than fourteen feet in height may be built up to the side line or rear line, but must be at least thirty feet from the street line.

(b) But in such district where at least one-half of the buildings on either side of a street, between two intersecting streets, conform to a greater set back line than above required, no new building and no alterations of an existing building shall project beyond such greater set back line.

(c) In such district two dwellings shall not be built upon the same lot or plot with their outside walls less than ten feet apart.

SECTION XVI.

Except as provided in Section VIII, no buildings shall be erected in the Second Residence district which occupy more than 75% of the lot or plot upon which they are erected or whose outside walls shall extend within ten feet of the street line or five feet of either side line or within ten feet of the rear line of the lot or plot, excepting that a garage or other outbuilding not more than fourteen feet in height may be built as provided as to location and area in Section XV, hereof.

SECTION XVII.

In the First and Second Business districts where a lot or plot abuts at the rear upon a public alley at least twelve feet wide, a building may be erected to cover the entire lot or plot, and where said lot or plot does not abut upon such an alley such building shall have a rear yard free of all structures of at least seven feet. But no rear yard shall be required of buildings abutting upon a railroad right-of-way or railroad sidetrack.

SECTION XVIII.

Restricted Neighborhood Districts.

The residence zones herein established may be subdivided into neighborhood groups, each regulated by its own restrictions, as agreed upon by 80% of the property owners with the approval of the City Council upon recommendation by the City Plan Commission. These neighborhood restrictions must conform to the minimum limitations for the district and must not annul other ordinances.

SECTION XIX.

Any territory embraced within any future enlargement of the city limits of said City of Janesville shall be in the First Residence district, except that territory so designated by the Common Council of said City upon the recommendation of the City Plan Commission.

SECTION XX.

Any business or industry not herein classified shall be regulated by the City Building Inspector. He shall issue no permit for the construction or alteration of any building or structure for which plans and specifications are required, until the official city newspaper, and until the Mayor and Common Council shall create a Board of Appeals, any citizen may appeal to the City Plan Commission for the review of the decision of the Inspector. Such Commission may hear such appeal summarily, and a majority vote of its members shall sustain or reverse the Inspector's decision. Pending such decision by the Commission, proceedings under a permit shall be stayed.

SECTION XXI.

Nothing contained in this ordinance shall prevent any change in the plans and construction or intended use of a building for which a building permit has been heretofore issued and the construction of which shall have been diligently prosecuted within six months of the date of such permit, and the ground story and frame work of which including the second story, shall have been completed within such six months, and which entire building shall be completed according to such plans as filed within two years from the date of the passage of this ordinance. Nothing herein contained shall prevent the restoration of a wall declared unsafe by the Inspector of Buildings.

SECTION XXII.

Any person violating any of the provisions of this ordinance shall, on conviction thereof be fined a sum not exceeding \$100.00. Each day after one week from date of conviction, such a violation of the ordinance continuing shall be deemed a separate offense.

SECTION XXIII.

If any section, paragraph, subdivision, clause or provision of this ordinance shall be adjudged invalid, such adjudication shall apply only to the portion so adjudged, and the rest of this ordinance shall remain valid and effective.

SECTION XXIV.

After the adoption of this ordinance may be amended upon the recommendation of the City Plan Commission by a two-thirds vote of the Common Council of the City of Janesville, unless a protest is filed against a proposed amendment, in which case procedure for amendment shall be in accordance with the Wisconsin statutes.

SECTION XXV.

This ordinance shall be published once in the official city paper immediately following its passage, and shall be in force and take effect from and after its passage and publication.

Adopted this 29th day of May, 1932.

Attest Mayor, T. E. WELSH.

City Clerk, R. J. SARTELL.

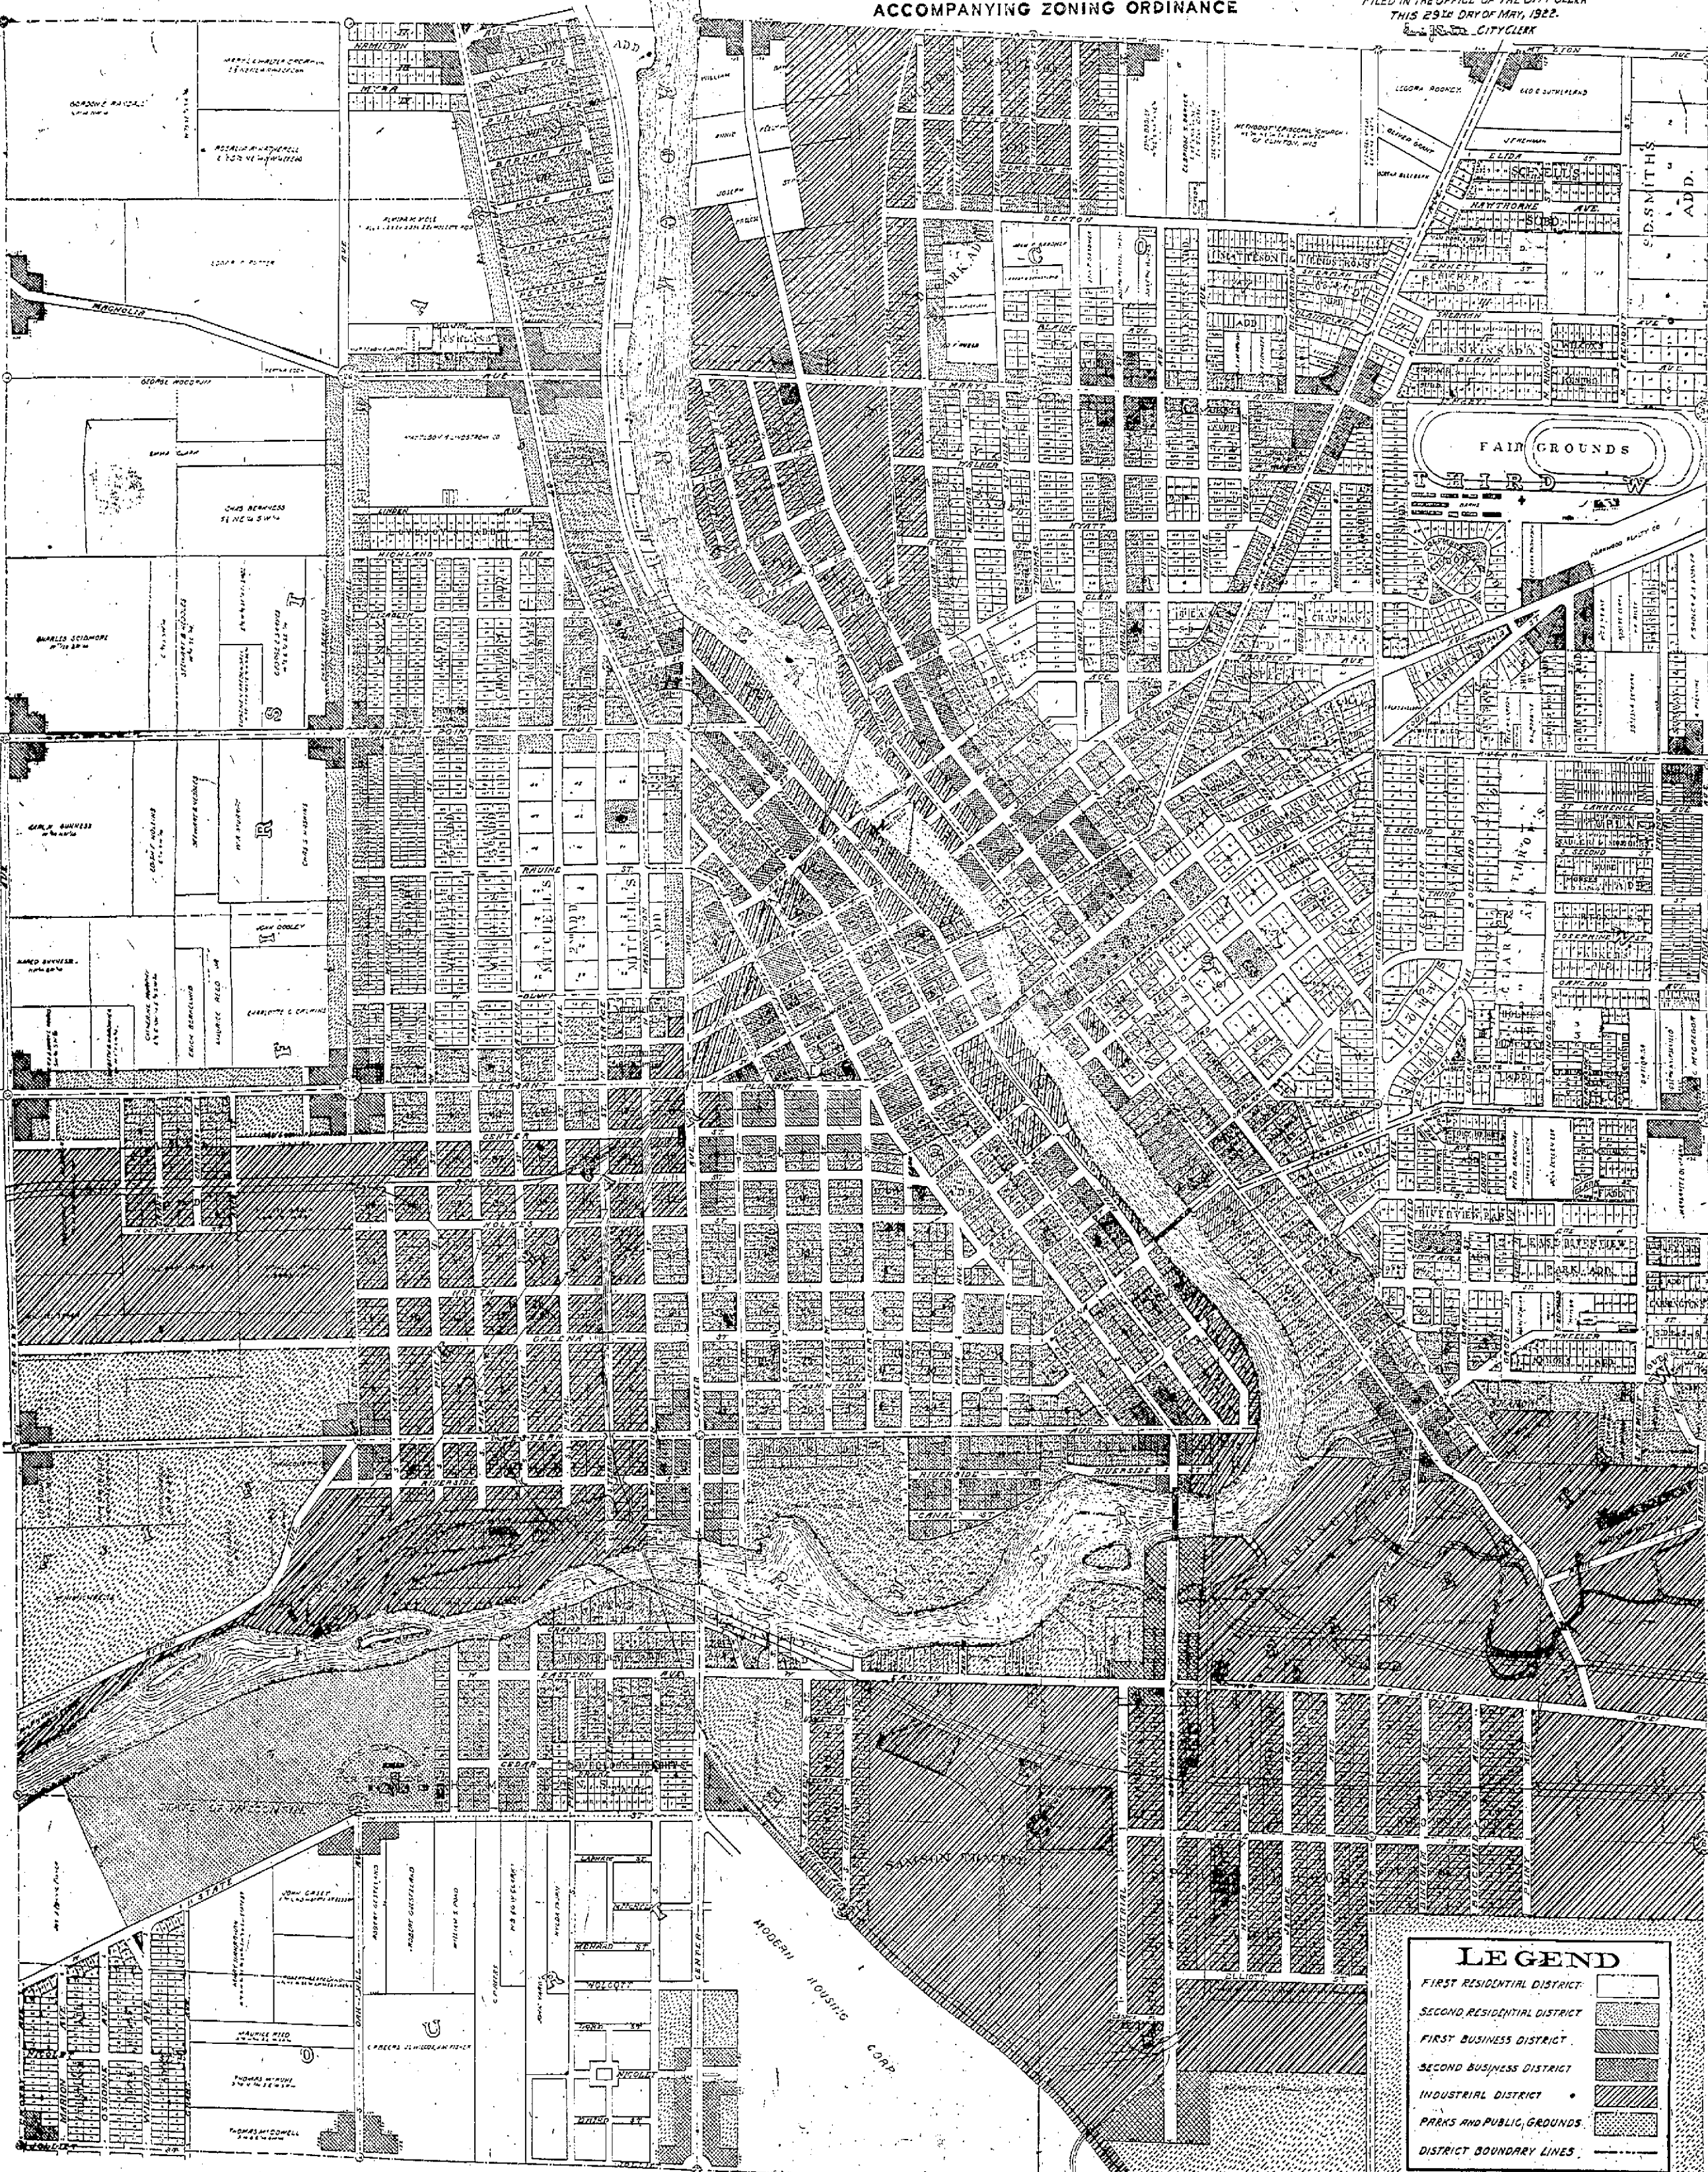

Note: Preserve this sheet for reference; it is the final reproduction of the Zoning Area and Ordinance.

RAILROAD MECHANICS AND HELPERS WANTED BY THE CHICAGO & NORTH WESTERN RAILWAY CO.

On account of the action of a number of our shop and engine house employees, who left the service in defiance of the United States Labor Board and are now on a strike, the Chicago & North Western Ry. is in need of the following:
Machinists and helpers.
Boilermakers and helpers.
Blacksmiths and helpers.
Car repairers and helpers.
Sheet metal workers and helpers.
Electricians and helpers.
Car inspectors.

Wages and working conditions prescribed by the United States Labor Board, effective July 1, 1922, will be applied.

An excellent opportunity for young and energetic men to engage in railroad work.
Apply at once to
129 N. CLINTON ST., CHICAGO, ILL.
or at nearest shop or car repairing station.
